About the MMT2015

The 9th International Symposium on Mobile Mapping Technology (**MMT 2015**) will be hosted by the School of Civil and Environmental Engineering, UNSW Australia, in the beautiful harbourside city of Sydney, Australia, from Wednesday the 9th to Friday the 11th December 2015.

The MMT-2015 will be an open forum to discuss the most recent technologies and their applications, to exchange experiences and to promote future research aiming at technological advancement and improved professional practice in the fields related to mobile mapping.

The Symposium will feature the keynote speakers, oral and interactive poster sessions, industry panel discussions, technical case studies; pre-Symposium workshops and a trade exhibition, as well as a variety of entertaining social events. See more details on MMT2015 at the website: www.mmt2015.org

Call for Abstracts/Papers for the ICA Special Session on Location-Based Services

As one of the key sponsors for the MMT2015, International Cartographic Association (ICA) is to organise a Special Session on Location Based Services (LBS). The full papers will be considered for a special issue in Journal of Location-Based Services. Topics of Interest include:

- Indoor/outdoor positioning for LBS
- Geotagged big data
- Visualization techniques for LBS
- Novel user interfaces and interaction techniques
- Personalization and context-aware adaptation
- Innovation LBS applications
- LBS, Web2.0 and VGI
- User studies and evaluations
- Privacy and usability
- Human factors in LBS
- Smart cities
- Legal and business aspects in LBS

ICA Special Session Chairs

Prof Georg Gartner, Vienna University of Technology, Austria, (Email: georg.gartner@tuwien.ac.at)

Prof Yaolin Liu, Wuhan University, China, (Email: yaolin610@163.com)

Dr Haosheng Huang, Vienna University of Technology, Austria (Email: haosheng.huang@tuwien.ac.at)

How to Submit:

The abstracts for the ICA Special Session must be submitted using the official abstract (with the headline marked as ICA Session) web form via **EasyChair** at <https://easychair.org/conferences/?conf=mmt2015>

Deadlines:

- Symposium abstracts: 16th July 2015 (Notification of acceptance: 6th August 2015)
- Full papers to be peer-reviewed: 6th October 2015.
